1 3

AN ACT

1 4 RELATING TO MENINGOCOCCAL DISEASE VACCINATION INFORMATION

1 5 FOR STUDENTS WHO ARE ENROLLED IN AN INSTITUTION OF HIGHER

1 6 LEARNING THAT HAS AN ON-CAMPUS DORMITORY OR RESIDENCE HALL,

1 7 AND PROVIDING FOR RELATED MATTERS.

1 8

1 9 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 10

1 11 Section 1. NEW SECTION. 139A.26 MENINGOCOCCAL DISEASE

1 12 VACCINATION INFORMATION FOR POSTSECONDARY STUDENTS.

1 13 1. Each institution of higher education that has an on-

1 14 campus residence hall or dormitory shall provide vaccination

1 15 information on meningococcal disease to each student enrolled

1 16 in the institution. The vaccination information shall be

1 17 contained on student health forms provided to each student by

1 18 the institution, which forms shall include space for the

1 19 student to indicate whether or not the student has received

1 20 the vaccination against meningococcal disease. The

1 21 vaccination information about meningococcal disease shall

1 22 include any recommendations issued by the national centers for

1 23 disease control and prevention regarding the disease.

1 24 Vaccination information obtained under this section that is in

1 25 possession of an institution of higher education pursuant to

1 26 this section shall not be considered a public record. Data

1 27 obtained under this section shall be submitted annually to the

1 28 department in a manner prescribed by the department and such

1 29 that no individual person can be identified.

1 30 2. This section shall not be construed to require any

1 31 institution of higher education to provide the vaccination

1 32 against meningococcal disease to students.

1 33 3. This section shall not apply if the national centers

1 34 for disease control and prevention no longer recommend the

1 35 meningococcal disease vaccine.

2 1 4. This section does not create a private right of action.

2 2 5. The department shall adopt rules for administration of

2 3 this section. The department shall review the requirements of

2 4 this section at least every five years, and shall submit its

2 5 recommendations for modification to, or continuation of, this

2 6 section based upon new information about the disease or

2 7 vaccination against the disease in a report that shall be

2 8 submitted to the general assembly no later than January 15,

2 9 2010, with subsequent reports developed and submitted by

2 10 January 15 at least every fifth year thereafter.
